PROFFER ON AWARD OF DAMAGES

On December 21, 2017, ██████████ (“petitioner”) filed a petition for compensation (“Petition”) under the National Childhood Vaccine Injury Act of 1986, as amended (“the Vaccine Act” or “the Act”), 42 U.S.C. §§ 300aa-1 to -34. The Petition alleges that petitioner suffered from a shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza (“flu”) vaccine administered to her in her right arm on September 26, 2016. *See* Petition at Preamble. The Court found petitioner entitled to compensation on September 2, 2021. ECF No. 59.

I. Items of Compensation

A. Pain and Suffering

Respondent proffers that petitioner should be awarded \$60,000.00 in actual and projected pain and suffering. This amount reflects that any award for projected pain and suffering has been reduced to net present value. *See* 42 U.S.C. § 300aa-15(a)(4). Petitioner agrees.

B. Past Unreimbursable Expenses

Evidence supplied by petitioner documents his expenditure of past unreimbursable expenses related to his vaccine-related injury. Respondent proffers that petitioner should be awarded past unreimbursable expenses in the amount of \$1,042.98. Petitioner agrees.

II. Form of the Award

Respondent recommends that the compensation provided to petitioner should be made through a lump sum payment of **\$61,042.98** in the form of a check made payable to petitioner.¹ This lump sum payment represents all elements of compensation to which petitioner would be entitled under 42 U.S.C. § 300aa-15(a). Petitioner agrees.

Petitioner is a competent adult. Evidence of guardianship is not required in this case.

Respectfully submitted,
