DECISION ON JOINT STIPULATION¹

On January 8, 2021, [REDACTED] filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza (“flu”) vaccine she received on October 5, 2020. Petition at 1; Stipulation, filed at January 8, 2024, ¶¶ 1-4. Petitioner further alleges that she suffered the residual effects for more than six months. Petition at 1; Stipulation at ¶¶ 4. “Respondent denies that petitioner sustained a SIRVA Table injury; denies that the flu vaccine caused petitioner’s alleged shoulder injury, or any other injury, or that the vaccine significantly aggravated a pre-existing injury; denies that petitioner suffered the residual effects of his alleged injury for more than six months; and denies that petitioner’s current condition is a sequela of a vaccine-related injury.” Stipulation at ¶ 6.

Nevertheless, on January 8, 2024, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, I **award** the following compensation:

A lump sum of \$30,000.00, in the form of a check payable to Petitioner. Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under Section 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
