<p>[REDACTED], Petitioner, v. SECRETARY OF HEALTH AND HUMAN SERVICES, Respondent.</p>	<p>Special Processing Unit (SPU); Damages Decision Based on Proffer; Influenza (Flu) Vaccine; Guillain- Barre Syndrome (GBS)</p>
---	--

*Leah VaSahnja Durant, Law Offices of Leah V. Durant, PLLC, Washington, DC, for petitioner.*

*Linda Sara Renzi, U.S. Department of Justice, Washington, DC, for respondent.*

## DECISION AWARDING DAMAGES<sup>1</sup>

**Dorsey**, Chief Special Master:

On June 15, 2017, petitioner filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*,<sup>2</sup> (the "Vaccine Act"). Petitioner alleges that she suffered from Guillian-Barre Syndrome ("GBS") due to an influenza vaccine received on October 1, 2014. Petition at 1. Petitioner further alleged that she suffered the effects of her injury for more than six months, and has not received compensation for her injury. Petition at 1, 5. The record demonstrates that the vaccine was administered in the United States. Ex. 1 at 1. The case was assigned to the Special Processing Unit of the Office of Special Masters.

<sup>1</sup> The undersigned intends to post this decision on the United States Court of Federal Claims' website. **This means the decision will be available to anyone with access to the internet.** In accordance with Vaccine Rule 18(b), petitioner has 14 days to identify and move to redact medical or other information, the disclosure of which would constitute an unwarranted invasion of privacy. If, upon review, the undersigned agrees that the identified material fits within this definition, the undersigned will redact such material from public access. Because this unpublished decision contains a reasoned explanation for the action in this case, undersigned is required to post it on the United States Court of Federal Claims' website in accordance with the E-Government Act of 2002. 44 U.S.C. § 3501 note (2012) (Federal Management and Promotion of Electronic Government Services).

<sup>2</sup> National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all "§" references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

On March 9, 2018, a ruling on entitlement was issued, finding petitioner entitled to compensation for GBS. On March 8, 2019, respondent filed a proffer on award of compensation ("Proffer") indicating petitioner should be awarded \$190,000.00. Proffer at 2. In the Proffer, respondent represented that petitioner agrees with the proffered award. Based on the record as a whole, the undersigned finds that petitioner is entitled to an award as stated in the Proffer. *Id.*

Pursuant to the terms stated in the attached Proffer, **the undersigned awards petitioner a lump sum payment of \$190,000.00 in the form of a check payable to petitioner, [REDACTED]**. This amount represents compensation for all damages that would be available under § 15(a).

The clerk of the court is directed to enter judgment in accordance with this decision.<sup>3</sup>

**IT IS SO ORDERED.**

**s/Nora Beth Dorsey**  
Nora Beth Dorsey  
Chief Special Master
