DECISION AWARDING DAMAGES¹

On January 7, 2021, [REDACTED] filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza (“flu”) vaccination administered to her on March 2, 2020. Pet., ECF No. 1. Petitioner further alleges that the vaccine was received in the United States, she suffered sequela of her injury for more than six months, and neither Petitioner nor any other party has ever received compensation in the form of an award or settlement for her vaccine-related injury. *Id.* The case was assigned to the Special Processing Unit of the Office of Special Masters.

On April 20, 2023, a Ruling on Entitlement was issued, finding Petitioner entitled to compensation for her SIRVA. ECF No. 31. On March 7, 2024, Respondent filed a Proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$85,000.00 in pain and suffering and \$11,327.32 in past unreimbursable out-of-pocket expenses. Proffer at 2, ECF No. 44. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *Id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$96,327.32 for pain and suffering and past unreimbursable expenses, in the form of a check payable to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).
