DECISION ON JOINT STIPULATION¹

On September 3, 2020, ██████████ filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner received an influenza (“flu”) vaccine in the left deltoid on November 11, 2019. Petitioner alleges that she sustained a shoulder injury related to vaccine administration (“SIRVA”) as set forth in the Vaccine Injury Table, or in the alternative, that her alleged shoulder injury was caused by the vaccine. She further alleges that she experienced the residual effects of his injury for more than six months. Respondent denies that Petitioner sustained a Table SIRVA injury; denies that the vaccine caused Petitioner’s alleged shoulder injury; and denies that Petitioner’s current condition is a sequelae of a vaccine-related injury.

² National Childhood Vaccine Injury Act of 1986, Pub. L. No. 99-660, 100 Stat. 3755. Hereinafter, for ease of citation, all section references to the Vaccine Act will be to the pertinent subparagraph of 42 U.S.C. § 300aa (2012).

Nevertheless, on April 13, 2022, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, I **award** the following compensation:

A lump sum of \$66,000.00 in the form of a check payable to Petitioner. Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under Section 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
