**DECISION ON JOINT STIPULATION<sup>1</sup>**

On December 21, 2020, [REDACTED] filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*<sup>2</sup> (the “Vaccine Act”). Petitioner alleges that she suffered from a shoulder injury related to vaccine administration as a result of an influenza (“flu”) vaccine administered to her left arm on September 18, 2019. Petition at 1; Stipulation, filed at August 28, 2023, ¶¶ 1-4. Petitioner further alleges that she suffered from her injury for more than six months. Petition at 1; Stipulation at ¶ 4. “Respondent denies that petitioner sustained a Table SIRVA injury; denies that the vaccine caused petitioner’s alleged shoulder injury, or any other injury; and denies that her current condition is a sequela of a vaccine-related injury.” Stipulation at ¶ 6.

Nevertheless, on August 28, 2023, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.
