DECISION ON JOINT STIPULATION¹

On January 8, 2021, ██████████ filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. § 300aa-10, *et seq.*² (the “Vaccine Act”). On October 30, 2018, Petitioner received an influenza (“flu”) vaccine, which vaccine is contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a). Petitioner alleges that he sustained a left shoulder injury related to vaccine administration (“SIRVA”) within the Table time period after receiving the flu vaccine, or alternatively, that the flu vaccine was the cause-in-fact of his alleged left shoulder injury; and that he experienced the residual effects of this condition for more than six months.

Respondent denies that Petitioner sustained a SIRVA Table injury; denies that the flu vaccine caused Petitioner’s alleged shoulder injury or any other injury; and denies that his current condition is a sequela of a vaccine-related injury.

Nevertheless, on August 29, 2023, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, I award the following compensation:

A lump sum of \$45,000.00 in the form of a check payable to Petitioner. This amount represents compensation for all items of damages that would be available under Section 15(a). Stipulation at ¶ 8.

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
