DECISION ON JOINT STIPULATION¹

On March 25, 2021, [REDACTED] filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) caused by an influenza (“flu”) vaccine administered on September 21, 2020. Petition at 1; Stipulation, filed at January 29, 2024, ¶¶ 1, 2. Petitioner further alleges that the vaccine was administered within the United States, that she sustained a SIRVA as set forth in the Vaccine Injury Table, that she suffered the residual effects of his injury for more than six months, and that there has been no prior award or settlement of a civil action for damages on her behalf as a result of his injury. Petition at 1-2; Stipulation at ¶¶ 3-5. Respondent denies that the flu vaccine caused Petitioner’s alleged injury, or any other injury, and further denies that Petitioner’s current disabilities are sequelae of a vaccine-related injury. Stipulation at ¶ 6.

If, upon review, I agree that the identified material fits within this definition, I will redact such material from public access.

Nevertheless, on January 30, 2024, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award** the following compensation:

A lump sum of \$17,500.00 in the form of a check payable to Petitioner. Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under Section 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
