DECISION ON JOINT STIPULATION¹

On January 7, 2021, ██████████ filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered a shoulder injury related to vaccine administration (“SIRVA”) after receiving influenza (“flu”) and tetanus/diphtheria/acellular pertussis (“Tdap”) vaccinations on October 24, 2019. Petition at 1; Stipulation, filed at August 27, 2024, ¶¶ 2-4. Petitioner further alleges that she suffered the residual effects of the alleged injury for more than six months and that there has been no prior award or settlement of a civil action for damages on petitioner’s behalf as a result of the alleged injury. Stipulation at ¶¶ 4-5. “Respondent denies that petitioner’s alleged SIRVA or its residual effects were caused-in-fact or significantly aggravated by the flu and Tdap vaccines; and denies that the flu and Tdap vaccines caused petitioner any other injury or petitioner’s current condition.” Stipulation at ¶ 6.

Nevertheless, on August 27, 2024, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award** the following compensation:

A lump sum of \$61,625.00 in the form of a check payable to Petitioner. Stipulation at ¶ 8. This amount represents compensation for all items of damages that would be available under Section 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
