DECISION AWARDING DAMAGES¹

On June 17, 2022, ██████████ filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that he suffered from a shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza (“flu”) vaccination administered to him on December 10, 2021. Pet., ECF No. 1. Petitioner further alleges that the vaccine was received in the United States, he suffered sequela of his injury for more than six months, and neither Petitioner nor any other party has ever received compensation in the form of an award or settlement for his vaccine-related injury. *Id.* The case was assigned to the Special Processing Unit of the Office of Special Masters.

On November 13, 2024, a Ruling on Entitlement was issued, finding Petitioner entitled to compensation for his SIRVA. ECF No. 35. On March 26, 2025, Respondent filed a Proffer on award of compensation (“Proffer”) indicating Petitioner should be awarded \$55,000.00 in pain and suffering and \$388.80 in past unreimbursable expenses. Proffer at 2, ECF No. 41. In the Proffer, Respondent represented that Petitioner agrees with the proffered award. *See id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner a lump sum payment of \$55,388.80 for pain and suffering and past unreimbursable expenses to be paid through an ACH deposit to Petitioner’s counsel’s IOLTA account for prompt disbursement to Petitioner.** This amount represents compensation for all damages that would be available under Section 15(a).
