On May 22, 2023, [REDACTED] filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). Petitioner alleges that she suffered from a shoulder injury related to vaccine administration (“SIRVA”) as a result of an influenza (“flu”) vaccination administered to her on January 3, 2022. Pet., ECF No. 1. Petitioner further alleges that the vaccine was received in the United States, she suffered sequela of her injury for more than six months, and neither Petitioner nor any other party has ever received compensation in the form of an award or settlement for her vaccine-related injury. *Id.* The case was assigned to the Special Processing Unit of the Office of Special Masters.

On May 2, 2024, a Ruling on Entitlement was issued, finding Petitioner entitled to compensation for her SIRVA. ECF No. 18. See *id.* Based on the record as a whole, I find that Petitioner is entitled to an award as stated in the Proffer.

Pursuant to the terms stated in the attached Proffer, **I award Petitioner:**

- A. A lump sum payment of \$95,000.00 for pain and suffering to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement to Petitioner; and**
