DECISION ON JOINT STIPULATION¹

On December 22, 2023, [REDACTED] filed a petition for compensation under the National Vaccine Injury Compensation Program, 42 U.S.C. §300aa-10, *et seq.*² (the “Vaccine Act”). On October 25, 2022, Petitioner received an influenza (“flu”) vaccine, a vaccine contained in the Vaccine Injury Table (the “Table”), 42 C.F.R. § 100.3(a). Petitioner alleges that she sustained a shoulder injury related to vaccine administration (“SIRVA”) as defined in the Table; she further alleges that the flu vaccine caused her alleged shoulder injury, and that she suffered the residual effects of her alleged injury for more than six months.

Respondent denies that Petitioner sustained a SIRVA Table injury; denies that the vaccine caused Petitioner’s alleged shoulder injury, or any other injury; and denies that her current condition is a sequela of a vaccine-related injury.

Nevertheless, on July 29, 2025, the parties filed the attached joint stipulation, stating that a decision should be entered awarding compensation. I find the stipulation reasonable and adopt it as my decision awarding damages, on the terms set forth therein.

Pursuant to the terms stated in the attached Stipulation, **I award** the following compensation:

A lump sum of \$25,000.00 to be paid through an ACH deposit to Petitioner's counsel's IOLTA account for prompt disbursement to Petitioner. Stipulation ¶ 8. This amount represents compensation for all items of damages that would be available under Section 15(a). *Id.*

I approve the requested amount for Petitioner's compensation. In the absence of a motion for review filed pursuant to RCFC Appendix B, the Clerk of Court is directed to enter judgment in accordance with this decision.³

IT IS SO ORDERED.
